

Thork-Truck - easy pallet transport

Optimum working conditions for the user - ergonomically correct handle and special wheels ensure a minimum starting power and correct handling of even very heavy pallets - both when pulling and pushing the truck.

No damage to surroundings, pallets and goods - Panther has an elegant design with rounded corners.

The design prevents industrial injuries and strain on the user - focus is put on safety and ergonomic working conditions of the user. The ergonomically correct shape of the handle ensures a relaxed hold for the user.

High quality is ensured through an extended test program and in cooperation with experts in Health and Safety.

**Permanent
quick lift**

Technical Specifications

Thork-Truck is a strong and reliable pallet truck, ensuring easy handling of many different pallets.

Optimum maneuverability and space utilization through

- very short length behind the forks
- low truck weight and tight turning angle

Long operating life and low maintenance costs through

- strong construction
- tests with up to 46,000 lifts

Silent transport through

- minimum friction of all movable parts
- close tolerances

Stainless and explosion proof pallet trucks are also available.

Ergonomic handle ensures the user a relaxed hold. Can be marked with name/department.

The hoop skates on the forks ensure an easy fork insertion and withdrawal in/out of pallets.

The company name or logo can be cut out in the triangle of the Thork-Truck.

Adjustable fork height - no problems when handling low and worn pallets.

An easy handling of goods is ensured even in very confined spaces.

Product (measured in inch)	TT 1671	TT 1681	TT 2571	TT 2581	TT 3071	TT 3081	
Capacity in lbs.	3500		5500		6600		
Lifting height	h ₃		h ₁₃ + 4.75
